Direct Access: Enquiry Form

The Bar Standards Board Handbook sets out the conditions under which a barrister may act on a Direct Access basis. It will help us to determine whether a member of our Chambers may assist you on a Direct Access basis if you tell us a little about your enquiry. We will contact you within one working day upon receipt of this completed form.

Please note that in the event that you become a Direct Access client of a barrister practising at 5 King's Bench Walk, the rules relating to money laundering may require us to verify your identity and the source of funds used to meet your legal expenses. If we are able to assist with your enquiry, we will provide further details of what is required.
